China's Future By David Shambaugh

China's future is arguably the most consequential question in global affairs. Having enjoyed unprecedented levels of growth, China is at a critical juncture in the development of its economy, society, polity, national security, and international relations. The direction the nation takes at this turning point will determine whether it stalls or continues to develop and prosper.

Will China be successful in implementing a new wave of transformational reforms that could last decades and make it the world's leading superpower? Or will its leaders shy away from the drastic changes required because the regime's power is at risk? If so, will that lead to prolonged stagnation or even regime collapse? Might China move down a more liberal or even democratic path? Or will China instead emerge as a hard, authoritarian and aggressive superstate?

In this new book, David Shambaugh argues that these potential pathways are all possibilities - but they depend on key decisions yet to be made by China's leaders, different pressures from within Chinese society, as well as actions taken by other nations. Assessing these scenarios and their implications, he offers a thoughtful and clear study of China's future for all those seeking to understand the country's likely trajectory over the coming decade and beyond.

Editorial Review

Review

"This book is full of thought-provoking, well-argued arguments that are certain to interest China watchers around the world."

South China Morning Post

"David Shambaugh lays out some bold speculations about possible futures for China that will make even seasoned China hands rethink their assumptions. It is critical reading from one of our most astute observers of that country."

Francis Fukuyama, Stanford University

"While it is not possible to predict China's future, it is possible to assay the contradictory forces that are propelling it forward. Bringing his years of experience and deep insight to bear, David Shambaugh has met this daunting challenge with great perception, balance and concision."

Orville Schell, Arthur Ross Director, Center on US-China Relations, Asia Society

"Anyone desiring to understand the debate over China's future underway among China's top leadership can do no better than Shambaugh's concise book."

John Garver, Georgia Institute of Technology,

"Convincing"

Foreign Affairs

"This is an extremely important book that deserves a wide readership among government officials, and those in the business community with aspirations to tap into the country's huge market."

New Zealand International Review

DAVID SHAMBAUGH is Professor of Political Science & International Affairs and Director of the China Policy Program at The George Washington University, and nonresident Senior Fellow in the Foreign Policy Studies Program at The Brookings Institution, in Washington, DC. An active public intellectual, he has published more than 30 books, including *China Goes Global*, *China's Communist Party*, and *Modernizing China's Military*.

Users Review

From reader reviews:

Cornelius Callaghan:

Have you spare time for the day? What do you do when you have a lot more or little spare time? Yep, you can choose the suitable activity regarding spend your time. Any person spent all their spare time to take a walk, shopping, or went to the particular Mall. How about open or perhaps read a book entitled China's

Future? Maybe it is being best activity for you. You recognize beside you can spend your time with the favorite's book, you can smarter than before. Do you agree with it is opinion or you have additional opinion?

Laura Rogers:

The book China's Future can give more knowledge and also the precise product information about everything you want. Exactly why must we leave a good thing like a book China's Future? A few of you have a different opinion about reserve. But one aim that book can give many info for us. It is absolutely correct. Right now, try to closer with your book. Knowledge or data that you take for that, you could give for each other; you may share all of these. Book China's Future has simple shape however, you know: it has great and large function for you. You can appearance the enormous world by start and read a book. So it is very wonderful.

Winford Patterson:

Exactly why? Because this China's Future is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will zap you with the secret the item inside. Reading this book alongside it was fantastic author who else write the book in such awesome way makes the content on the inside easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of gains than the other book have such as help improving your skill and your critical thinking way. So , still want to hesitate having that book? If I had been you I will go to the book store hurriedly.

Alice Concannon:

As a student exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's spirit or real their passion. They just do what the educator want, like asked to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this China's Future can make you truly feel more interested to read.
