## David Langtry, Canadian Human Rights Commission: David Langtry is a Liar Lover By Wallace Bellair

In life there are many liars, those from a criminal element, routinely lie. However, you will find a good number within any government department! If you have been wronged, try obtaining your files through Access to Information, where you can receive copies of your files! That's what one "little guy" did when he successfully sued the Royal Canadian Mounted Police, cited in this book. You'll also find other information about government weasels that outright lie, such as Canadian Forces Shilo Base Surgeon Major Salsman, also cited in this book! You'll also find other liars who have no scruples that also outright lie to protect the first liar, such as General W.Z. Natynczyk, also cited in this book! You'll also find "liar lovers" – as the author likes to call them – those "scum bags" in authority that have the power to do something about the mistreatment of "the little guys and gals" but are, themselves, nothing but "bags of crap" whose job is to protect the government! The author calls these "scum-bags" liar lovers – those idiots who have no scruples, no morals, no human worth that accept lie after lie after lie "to stick it to the little guy and gal" that are rightfully complaining about the miserable treatment they have received by a government department! Such a liar lover is David Langtry of the Canadian Human Rights Commission, also cited in this book! Oh, and guess what, the Canadian government is apparently so corrupt that if a person objects to the Canadian Human Rights Commission's "idiotic" decision – that person can complain to the Federal Court of Canada – but guess what the Canadian Human Rights Commission does not have to appear to defend their "stupid, corrupt" decision? Let's repeat that bit of evidence, if a person objects to the Canadian Human Rights Commission's "idiotic" decision – that person can complain to the Federal Court of Canada! However, what the Canadian Human Rights Commission does not have to appear to defend their "stupid, corrupt" decision? In other words, there are no human rights in Canada?
