Demon Show: Episode 1 (Whiskey Witches) By S.M. Bloodding

Detective Paige Whiskey comes from a long line of witches. They may not all be the most powerful, but they are outspoken and supportive of their community. She alone has no gifts. She can't summon fire, can't read minds. She knows the arcane. She's studied it. That, along with her connection to the Whiskey Witches, lands her some pretty strange cases.

Like the sacrificial murders of St. Francisville, Louisiana. There's a killer on the loose, choosing people in a vain attempt to raise a demon. Once she gets there, she realizes the murders were nothing more than an elaborate invitation, tempting her into the claws of the killer.

She does have a gift, a very powerful and terrifying one.

The killer is after her.
