**Everything I Left Unsaid: A Novel** By M. O'Keefe

**Fans of Jodi Ellen Malpas, K. Bromberg, and Joanna Wylde will be unable to resist this sexy, deeply intimate tale of a woman running from her past, and the darkly mysterious man who sets her free.**

I didn't think answering someone else's cellphone would change my life. But the stranger with the low, deep voice on the other end of the line tempted me, awakened my body, set me on fire. He was looking for someone else. Instead he found me.

And I found a hot, secret world where I felt alive for the first time.

His name was Dylan, and, strangely, he made me feel safe. Desired. Compelled. Every dark thing he asked me to do, I did. Without question. I longed to meet him, but we were both keeping secrets. And mine were dangerous. If I took the first step, if I got closer to Dylan—emotionally, physically—then I wouldn't be hiding anymore. I would be exposed, with nothing left to surrender but the truth. And my truth could hurt us both.
