### **Editorial Review**

#### **About the Author**

Marie Hall is a NY TIMES and USA Today bestselling author who loves books that make you think, or feel something. Preferably both. And while she's a total girly girl and loves glitter and rainbows, she's just as happy when she's writing about the dark underbelly of society. Well, if things like zombies, and vampires, and werewolves, and mermaids existed. (Although she has it on good authority that mermaids do in fact exist, because the internet told her so.) She's married to the love of her life, a sexy beast of a caveman who likes to refer to himself as Big Hunk. She has two awesome kids, lives in Hawaii, loves cooking and occasionally has been known to crochet. She also really loves talking about herself in the third person. If you want to see what new creations she's got up her sleeves check out her blog:
