## Mayo Clinic Examinations In Neurology, 7e By Mayo Clinic

This is the classic reference to the clinical neurological examination -- the foundation of clinical neurology. Now in its seventh edition, it continues to present material that is absolutely essential for the clinical neurologist to know. In one concise text, the reader will find a complete introduction to the clinical neurological examination of adults and children, including neuroimaging and laboratory procedures.

Presents clinical know-how from the prestigious Mayo Clinic -- one of the ten institutions rated by American Health magazine as the best in America for neurology. U.S. News and World Report ranks the Mayo Clinic first in neurology. Includes material on the neurologic exam of infants and children, making it appropriate for a wide range of patients. Contains the essence of clinical neurologic diagnosis. Answer's the reader's question: "What is most important?"
