Pep Guardiola. La metamorfosis (Spanish Edition) By Martí Perarnau

Un recuento de cómo Alemania ha cambiado al nuevo entrenador del Manchester City. El nuevo libro de Martí Perarnau, autor de *Herr Pep*. Guardiola ha vivido en Alemania una metamorfosis que le ha cambiado en numerosos aspectos. Si bien conserva sus características fundamentales (el juego de posición como modelo y la competitividad insaciable como motor), ha incorporado nuevos rasgos aportados por la experiencia en Múnich. Esta obra es una pieza singular en el universo de los libros de fútbol. Animado por el atrevimiento del propio Guardiola, Martí Perarnau propone una narración «libre», que igual fluye del presente al pasado que se detiene en reflexiones, personas o momentos significativos de la trayectoria de Pep. Desde el comedor vacío tras la dolorosa eliminación frente al Atlético de Madrid en el considerado mejor partido de la era germana de Guardiola, a cómo se ensaya un córner, la carta de un aficionado, la meticulosa descripción de la remontada frente a la Juventus o el cariño con el que se despidió al mister en Alemania. A base de crónicas, análisis, datos, citas, reflexiones o entrevistas, Martí Perarnau compone su particular *trencadís*, que funciona como un sólido bloque y configura un meticuloso retrato del hombre que le ha inspirado.
