**The Shadow Rising (The Wheel of Time, Book 4) By Robert Jordan**

Since its debut in 1990, **The Wheel of Time® by Robert Jordan** has captivated millions of readers around the globe with its scope, originality, and compelling characters.

The Wheel of Time turns and Ages come and go, leaving memories that become legend. Legend fades to myth, and even myth is long forgotten when the Age that gave it birth returns again. In the Third Age, an Age of Prophecy, the World and Time themselves hang in the balance. What was, what will be, and what is, may yet fall under the Shadow.

The seals of Shayol Ghul are weak now, and the Dark One reaches out. The Shadow is rising to cover humankind.

In Tar Valon, Min sees portents of hideous doom. Will the White Tower itself be broken?

In the Two Rivers, the Whitecloaks ride in pursuit of a man with golden eyes, and in pursuit of the Dragon Reborn.

In Cantorin, among the Sea Folk, High Lady Suroth plans the return of the Seanchan armies to the mainland.

In the Stone of Tear, the Lord Dragon considers his next move. It will be something no one expects, not the Black Ajah, not Tairen nobles, not Aes Sedai, not Egwene or Elayne or Nynaeve.

Against the Shadow rising stands the Dragon Reborn...

### Editorial Review

From Publishers Weekly

Having declared himself the Dragon Reborn, Rand al'Thor must proceed to fulfill the prophecy that he will protect the world from the return of the Dark One. Jordan's hefty addition to his massive series begins very much in medias res as an unknown danger threatens the city of Tar Valon, home of the powerful, unlike Aes Sedai. In a whirlwind of uncertainty stirred up by the conflicting motivations of such groups as the Whitecloaks, the Darkfriends and Trollocs (among an abundance of others), Rand travels to the city of Rhuidean in the Aiel Waste for answers. Jordan ( *The Dragon Reborn* ) seems to be intent on turning the series into an endless soap opera; in each successive volume he introduces more new elements than he resolves. What was originally a mood-setting technique--the tendency of most characters not to share their special knowledge with either their companions or the reader--has by now become boring. Hundreds of characters and dozens of conflicting plots cause much of the action to take place offstage. As a result, this fully imagined saga threatens to burst the seams of its steadily more intricate design. Nevertheless, the sheer force of his invention develops a momentum that established Jordan fans, and probably like-minded new readers, will find hard to resist.

From Library Journal

As the power of the Dark One grows stronger, Rand al'Thor and his friends face greater challenges in their war against the Shadow. From the halls of Tar Valon, where the Aes Sedai mystics discover agents of darkness in their own ranks, to the Aiel Waste, where a hidden city holds secrets forbidden to all but a few, Rand and his companions seek to fulfill the destiny laid out for them. Jordan's multivolume epic continues to live up to its high ambitions. Complex plotting, an array of strong characters, lavish detail, and a panoramic scope make this series a feast for fantasy aficionados. Expect demand for this.

### Review

“Large and splendid. The saga reaches a new level of emotional impact.” *Chicago Sun-Times*

“Fast and absorbing...will keep the reader...entranced.” *Publishers Weekly*

“An exciting, well-written adventure, Jordan offers distinctive heroes and themes, including an interesting look at relations between the sexes.” *Milwaukee Sentinel*

“A complex tapestry of fascinating characters, descriptive details and events. I highly recommend this series to anyone who loves epic fantasy.” *Carol Lynn Ukokis, Galactic Dispatch*

“Robert Jordan writes with the stark vision of light and darkness, and sometimes childish sense of wonder, that permeates J.R.R. Tolkien's work. His style is undebatably his own.” *The Pittsburgh Press*

### Users Review

From reader reviews:

**Willie Hickox:**

Why don't make it to become your habit? Right now, try to prepare your time to do the important behave, like looking for your favorite book and reading a guide.
