### The Spiritual Guide (Library of Spiritual Classics) By Michael Molinos

So Powerful was its influence on Europe that within 6 years of its release this book had been translated into every language in Western Europe. In Naples, Italy it was said that 20,000 Christians gathered in small groups to practice inward prayer.

Michael Molinos came closer to reforming the Catholic Church than any other single man in history, yet he ended up sealed in a dungeon, his book condemned. A man so controversial that even until today the Vatican will not release the transcript of his (secret) trial. Now for the first time ever, this book appears in modern English. The first English language release in over a hundred years.

Included in the book is the first biography of Michael Molinos to appear in English in over 100 years.
