The Wadsworth Anthology of Poetry (with Poetry 21 CD-ROM) By Jay Parini

Unlike most other poetry anthologies, arranged only chronologically or limited to the exploration of one type of poem, Jay Parini's **WADSWORTH ANTHOLOGY OF POETRY** collects 24 smaller, more accessible anthologies in one volume. With the guidance of an editorial board of pre-eminent literary scholars and world-renown poets, Parini has offers a meaningful structure to an ambitious collection, spanning from Beowulf to Jorie Graham. More a teaching and learning text than a definitive body of work, Parini's arrangement of poetry by form, content, and context offers a new way of looking at the teaching of poetry.
