Waterfire Saga, Book Two Rogue Wave By Jennifer Donnelly

Serafina, Neela, Ling, Ava, Becca, and Astrid, six mermaids from realms scattered throughout the seas and freshwaters, were summoned by the leader of the river witches to learn an incredible truth: the mermaids are direct descendants of the Six Who Ruled—powerful mages who once governed the lost empire of Atlantis. The ancient evil that destroyed Atlantis is stirring again, and only the mermaids can defeat it. To do so, they need to find magical talismans that belonged to the Six.

Serafina believes her talisman was buried with an old shipwreck. While researching its location, she is almost discovered by a death rider patrol led by someone familiar. . . . The pain of seeing him turned traitor is devastating.

Neela travels to Matali to warn her parents of the grave threat facing their world. But they find her story outlandish; a sign that she needs to be confined to her chamber for rest and recovery. She escapes and travels to Kandina, where her talisman is in the possession of fearsome razormouth dragons.

As they hunt for their talismans, both Serafina and Neela find reserves of courage and cunning they didn't know they possessed. They face down danger and death, only to endure a game-changing betrayal, as shocking as a rogue wave.

Editorial Review

From School Library Journal

Gr 6–9—Donnelly continues the story of the mermaid Serafina and her friends in an undersea world remarkably like our own. Following the events from *Deep Blue* (Disney-Hyperion, 2014), Serafina is still reeling from the deaths of her royal parents and the betrayal of her fiancé. She summons the strength to search for the six magical talismans that once belonged to the Six Who Ruled, powerful mages who governed the lost empire of Atlantis. Serafina had joined forces with five other mermaids in the previous volume, and each mermaid is now seeking the talismans that the protagonist is convinced will help keep their underwater world from being destroyed. A kind of magic allows the merls (girls) to communicate with one another, and the story focuses mainly on Serafina and her best friend, girly-girl mermaid Neela, as they each try to find one of the talismans. Along the way, Serafina encounters her fiancé and discovers that his betrayal was not what it seemed. Although the story has all the features of a Disney movie, the characters are likable and suspense and romance abound. The biggest challenge for readers may be the use of "mermish," the language of the mermaids. A 13-page glossary is appended. However, be warned: most of the words refer to people and places instead of terms, which can be confusing. If readers can get past that, they will find a well-trod story line with appealing protagonists. VERDICT Recommended as a second purchase where the first volume is popular.—Kathy Kirchoefer, Henderson County Public Library, NC

Review

PRAISE FOR DEEP BLUE

"A fantastic addition to the genre of mermaids, this book will also appeal to readers of action and those who appreciate usurped leaders taking back their kingdom. It starts with a common enough concept: a royal girl who is worried about her betrothal and about love. Donnelly then adds layers of complexity to the tale and weaves her story into that of Atlantis. Friendship, trust, and responsibility are major themes as Sera struggles to grasp that she is really her kingdom's only hope. Quick-witted, loveable characters and a well-planned fantasy world make this an all-encompassing book. Readers will eagerly await future volumes and the answers they will provide."

?VOYA

PRAISE FOR DEEP BLUE

"Best-selling Donnelly (Revolution, 2010) builds an alluring mermaid civilization and history, filled with painterly descriptions of Sera's underwater palace and its unearthly architecture, her sumptuous wardrobe, and the menagerie of half-human, half-marine animal denizens. There's also plenty of romantic tension with handsome mermen, strife between merls (that's girl mermaids) from rival regions, and some powerful female friendships amid the fast-paced plot, filled with wondrous magic."

?Booklist

PRAISE FOR DEEP BLUE

"A richly imagined novel. Themes of conquering fear and believing in oneself are woven throughout, along with an acknowledgment of humans' environmental impact on the sea and its inhabitants. Despite the high stakes and a few frightening moments, the story is never overserious; it's just right for readers who have grown up with, but aged out of, *The Little Mermaid* and the *Disney Fairies* franchise."

Publishers Weekly

About the Author

Jennifer Donnelly is an award-winning author of both adult and young adult books, including *Deep Blue* and *Rogue Wave*, the first two books in the Waterfire Saga. For adults she has written a trilogy of best-selling books that includes *The Tea Rose*, *The Winter Rose*, and *The Wild Rose*. Her first young adult novel, *A Northern Light*, received many accolades, among them the *Los Angeles Times* Book Prize, a Carnegie Medal in the UK, and a Michael L. Printz Honor. Her second young adult novel, *Revolution*, was named a Best Book of 2010 by *Kirkus Reviews* and *School Library Journal*, and the audiobook received a 2011 American Library Association Odyssey Honor. She lives in New York's Hudson Valley. For more information, visit www.jenniferdonnelly.com.
