## **Break Her** By B.G. Harlen

"Maybe the Devil appeared in a billion different forms, and this man was merely one of them."

Your home is your castle. Until it's invaded. Until you wake up to find a strange man next to you. Now your home is your prison, and your body, a battlefield. This man will do anything it takes to destroy everything that matters to you: your sanity, your self-esteem, your very soul. And you will do whatever it takes to save them.

In this taut psychological thriller, one dangerous man will encounter something he has never faced before, a woman who won't play his twisted game. And one surprising woman will be forced to confront, not only the toughest opponent she could ever have imagined, but the secrets locked inside her own mind, secrets that will determine who will win a battle of wills like no other.
