### Fifty Shades of Trae (Wahida Clark Presents) (The Letters Book 4) By Charli Li

There are undoubtedly, Fifty Shades of Trae, and I am well aware of over half of them. Until now, I've never found the need or urge to record my most private thoughts or sentiments. In my diary and on these pages, I write from the very heart, sharing my most intimate feelings. These pages are my calm in the middle of the storm that I call Trae. Trae is an asshole, excellent lover, amazing person, family man, cold-blooded killer, fearless, crazy, calm, calculating, stubborn, handsome . . . you get my point. Sometimes Trae makes me feel like more than a woman, and at other times he makes me feel less than human. But I will make him love me, if it's the last thing I do. However, I had to get this off my chest and get some things straight for the record.

This diary entry by an obsessed Charli Li, also intertwines with 'The Letters' that are a part of Wahida Clark's Thug Series.
