## Humanitarian Invasion: Global Development in Cold War Afghanistan (Global and International History) By Timothy Nunan

Humanitarian Invasion is the first book of its kind: a ground-level inside account of what development and humanitarianism meant for Afghanistan, a country touched by international aid like no other. Relying on Soviet, Western, and NGO archives, interviews with Soviet advisers and NGO workers, and Afghan sources, Timothy Nunan forges a vivid account of the impact of development on a country on the front lines of the Cold War. Nunan argues that Afghanistan functioned as a laboratory for the future of the Third World nation-state. If, in the 1960s, Soviets, Americans, and Germans sought to make a territorial national economy for Afghanistan, later, under military occupation, Soviet nation-builders, French and Swedish humanitarians, and Pakistani-supported guerrillas fought a transnational civil war over Afghan statehood. Covering the entire period from the Cold War to Taliban rule, Humanitarian Invasion signals the beginning of a new stage in the writing of international history.

### **Editorial Review**

#### **Review**

"Beautifully written and the product of unique and prodigious research, Humanitarian Invasion enhances our understanding of the Soviet Union in the world, while poignantly chronicling the long-term collapse of the Afghan state. With this book, Timothy Nunan has made a critical contribution to our understanding of modern international history."

Robert Rakove, Stanford University

"This is a truly fascinating, impressively researched work. Its highly original perspective illuminates not only the modern history of Afghanistan, but also the wider history of geopolitically-driven development missions in what we used to call the "Third World"."

Anatol Lieven, author of Chechnya: Tombstone of Russian Power and Pakistan: A Hard Country

#### **About the Author**

Timothy Nunan is an Academy Scholar at the Harvard Academy for International and Area Studies. Previously, he was an Alexander von Humboldt Postdoctoral Research Fellow at the Zentralasien-Seminar of the Humboldt-Universität zu Berlin.
