**Jewel's Gems (The Red Petticoat Saloon)** By Maggie Ryan

**#1 Best-selling Historical Western author Maggie Ryan** brings you the first book in The Red Petticoat series.

The Red Petticoat is not just another whorehouse. This is a place for every painted lady to get her happy ending. Madame Jewel and her 'gems' welcome hardworking men to come inside for a home-cooked meal or a few hands of cards. They are invited to listen to a pretty girl sing or watch a show. If a bit of intimate comfort is desired, they are welcome to go upstairs and into the arms of one of the beautiful women wearing the red petticoats. However, refer to its gems as whores and you'll find yourself tossed out into the street.

This story all begins when Lady Juliette Gardner discovers she has been set up and her reputation ruined. She decides to leave England for good and find her way to the goldfields of California with the hopes of creating her dream and possibly striking it rich.

To Gabriel Vasquez, the hard work and isolation of working his claim is the only way to achieve his dream. When he discovers his new partner is a woman, a very beautiful, very stubborn English woman, he has no problem – except for the fact that she refuses to think of her safety. If she is to be his partner, he will have no hesitation teaching her exactly what happens to naughty, cheeky English ladies.?

Gabriel and Jewel will discover that life has room for more than one dream and as they settle themselves in Culpepper Cove. This mining town, nestled in the foothills of the Sierra Mountains, will never be the same once Juliette—Madame Jewel—opens The Red Petticoat.

Join award winning author Maggie Ryan as she begins the tale of The Red Petticoat and all of Madame Jewel's precious—but slightly flawed—gems.
