Until a year later, when Harper comes face to face with the man assigned to hide her from a senator's killer. . .

Galen Kelly hasn't forgotten a single sensual minute of his night with Harper . . . or that she betrayed him. With the FBI also on their trail, he's got to pretend he's never met her or risk both their lives. But as danger closes in, Galen may not be able to protect himself from taking the biggest risk of all. . .
