### Sleigh Bells in the Snow (O'Neil Brothers Book 1) By Sarah Morgan

USA TODAY bestselling author Sarah Morgan heats up the season with the O'Neil brothers in a brand-new holiday series!

Once upon a time, Christmas was Kayla Green's favorite time of year. Now all the workaholic wants for Christmas is for it to be over—as fast as possible! So when duty calls her to snowy Vermont to close a deal with a new client, Kayla is grateful for an excuse to avoid the holidays for another year.

Jackson O'Neil left a thriving business behind to return home and salvage his family's resort—it's in his blood, and he can't let it fail. Now that he's got marketing whiz Kayla Green working with him to put Snow Crystal on the map, success is on the horizon. The fact they strike enough sparks off each other to power all the Christmas lights in Vermont is just an added bonus.

Kayla might be an expert at her job, but she's out of her depth with Jackson—he makes her crave the happy-ever-after she once dreamed of, and it's terrifying. As the snowflakes continue to swirl, will the woman who doesn't believe in the magic of Christmas finally fall under its spell?

### Editorial Review

From Publishers Weekly

Starred Review. Jackson O'Neil can run an international hotel chain without problems, but he needs a hotshot PR exec to save his family's business, the Snow Crystal Resort and Spa in Vermont, which has been struggling since his father's death in a car accident. Workaholic Kayla Green offers to take the account on over Christmas break rather than suffer another holiday by herself. Jackson knew Kayla was the right choice to give Snow Crystal a national audience, but he didn't bargain on falling in love. Meanwhile, being thrown in with the close-knit O'Neils opens wounds Kayla thought had healed long ago. As the two struggle with their strong emotions, Morgan (Lost to the Desert Warrior) masterfully introduces a cast of endearing supporting characters. This touching Christmas tale will draw tears of sorrow and joy, remaining a reader favorite for years to come. (Nov.)

'As the two struggle with their strong emotions, Morgan masterfully introduces a cast of endearing supporting characters. This touching Christmas tale will draw tears of sorrow and joy, remaining a reader favorite for years to come.' **Publishers Weekly Starred Review**

'Morgan's foray into full-length romance is a holiday hit. Her visual narrative epitomizes rustic Vermont in full winter finery while showcasing her witty humor and inherent understanding of the human condition. Her characters are riotously meddling and endearing, and watching her relationship-phobic Brit transplant heroine and confident hometown heroine effectively battle fate, the elements and their feelings will delight the reader.'
