### Editorial Review

From Publishers Weekly

Following her successful debut, 2000's *Chocolate Chip Cookie Murder*, Fluke brings back amateur sleuth and Lake Eden, Minn., bakery owner Hannah Swensen for another delicious adventure. Hannah has the honor of serving as head judge of the first annual Hartland Flour Dessert Bake-off, which she anticipates will be good advertising for her already popular bakery, The Cookie Jar. Then one of the judges, high school basketball coach Boyd Watson, is found dead, face down in Hannah's strawberry shortcake, and suspicion falls on Watson's abused wife, Danielle. Determined to prove Danielle's innocence, Hannah ignores the warnings of romantic interest Mike Kingston, the supervisor of detectives at the Winnetka County sheriff's station, not to get involved. Tempting descriptions of meals served at the local establishments, mouth-watering recipes and a warm family of characters ward off the vividly depicted bitter chill of a Minnesota winter. While the other characters tend to be stereotypical, Hannah is a believable, down-to-earth protagonist who can't function without her morning coffee, justifies her passion for chocolate as a biological need for endorphins and deals with a matchmaking mother and a needy sister with understanding and humor. Add the ingredients of a cleverly crafted mystery and a realistic portrayal of smalltown life, and you have a superior cozy sure to leave readers satisfied... but hungry for more.

From School Library Journal

Adult/High School-Cookie entrepreneur Hannah Swensen is recruited to judge a bake-off but gets embroiled in a bittersweet murder. The victims are not Lake Eden's finest; one is a wife abuser and the other is a snippety blackmailer, but the town is small, concern is rampant, and Hannah is curious. She and her sister Andrea begin sleuthing to prevent their friend (the wife of the first victim) from being accused of a crime she did not commit. The story is at times dense with detail, but the relationships among family and neighbors are pleasingly homespun-and occasionally sophomoric. Spanning the time of the bake-off, this whodunit is appropriately interspersed with mouthwatering dessert recipes. Readers who don't like guts or gore will enjoy this mystery and stick with the amateur detectives as they reach an action-packed conclusion.

From Library Journal

After a last-minute replacement judge for Lake Eden, MN's, first annual dessert bake-off alienates several contestants with his snide comments, he winds up dead. Did one of them kill him in retaliation, or did his physically abused wife finally get up enough gumption to do the deed? Cookie-store owner/sleuth Hannah Swensen (*Chocolate Chip Cookie Murder*) aims to find out. Hannah somehow finds time, while tending her shop, baking desserts, delivering cookies, and judging the bake-off, to milk her would-be boyfriend/detective for details and do her own sleuthing. A comfortable, cozy read, with a few recipes thrown in for later enjoyment. For fans of culinary mysteries.
