### **Editorial Review**

#### **About the Author**

Nicholas Dorigny (1658-1746) was from a famous French artistic family. He was trained by his father Michael and worked mainly as an engraver. He continued his studies in Rome and stayed there 28 years where he made his name making engravings of Italian works of art especially the works of Raphael (whose reputation rivaled Michaelangelo's among art enthusiasts of the time) including a well received portfolio of prints of Raphael's frescoes of the Wedding of Psyche and Cupid in the Villa Farnesina in Rome. In Rome he became known to "several Englishmen of rank, who persuaded him to come to England, and engrave the cartoons of Raphael.

### **Users Review**

#### **From reader reviews:**

##### **Milton Jones:**

Book will be written, printed, or created for everything. You can know everything you want by a guide. Book has a different type. As it is known to us that book is important thing to bring us around the world. Next to that you can your reading expertise was fluently.
