**The Truth** By Jeffry W. Johnston

*"I tied you up because I need you to listen," Derek says. "Focus."  
"Please... W-what do you want from me?"*

*"The truth," he says. "About what happened the night my brother died." He reaches for my left hand. "If I think you're lying..." With his other hand, he flourishes a pair of flower cutters. Curved. Sharp.  
And he smiles.*

When Chris wakes up in a dark basement tied to a chair, he knows that he's trapped-and why. Eight nights ago a burglar broke into Chris' home. Eight nights ago Chris did what he had to do to protect his family. And eight nights ago a 13-year-old runaway bled to death on his kitchen floor.

Now Derek wants the truth about what happened that night. He wants proof his little brother didn't deserve to die. For every lie Chris tells, he will lose a finger. But telling the truth is far more dangerous...

A riveting, edge-of-your-seat thriller from Edgar Award-nominated author Jeffry W. Johnston that explores the gray area between what is right and what we'll do to protect the people we love.

### Editorial Review

From School Library Journal

Gr 9 Up—Chris Russo wakes up in a dark basement tied to a chair. He is being held captive by Derek Brannick, who demands the truth about the shooting death of his younger brother Caleb at Chris's hands. He threatens to cut all of Chris's fingers off with garden shears if not told the truth. Eight nights ago, Caleb broke into Chris's home. Chris felt he had no choice but to shoot him in self-defense to protect his mom and younger brother, Devon. He appointed himself the man of the house after his police officer dad was killed in the line of duty. He focused his life on Devon's Little League games and overall well-being. He became an overnight local hero for shooting Caleb, whom he learned was a 13-year-old runaway. The teen was instantly invited into the popular cliques and received by his crush Rita before his kidnapping. Chris eventually tells the truth, and the reveal will be unexpected for readers. This YA thriller by Edgar Award nominee Johnston often feels predictable and redundant. Some readers may have issues with the background roles that the parents have. Detective Fyfe may be accused of perpetrating dirty and crooked police stereotypes. VERDICT Recommended for readers who enjoy edgy thrillers.—Donald Peebles, New York Black Librarians Caucus

Review

"A tough, fast, twisty little brawler of a book." - *Booklist*

"This captivating thriller keeps the pacing fast, the tension high, and the emotions raw" - *Bulletin of the Center for Children's Books*

"Recommended for readers who enjoy edgy thrillers" - *School Library Journal*

"An excellent novel that will keep the reader going and guessing up until the very end."  
" - *VOYA Magazine*

### Users Review

From reader reviews:

**Gracie Davis:**

Why don't make it to become your habit? Right now, try to ready your time to do the important action, like looking for your favorite e-book and reading a publication. Beside you can solve your short lived problem; you can add your knowledge by the reserve entitled The Truth. Try to make book The Truth as your pal. It means that it can to get your friend when you experience alone and beside regarding course make you smarter than previously. Yeah, it is very fortuned for you personally. The book makes you far more confidence because you can know anything by the book. So , we need to make new experience as well as knowledge with this book.

**Cynthia Sharma:**

Information is provisions for folks to get better life, information presently can get by anyone in everywhere. The information can be a expertise or any news even an issue. What people must be consider if those information which is inside the former life are hard to be find than now could be taking seriously which one would work to believe or which one typically the resource are convinced. If you receive the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take The Truth as the daily resource information.

**Richard Hennessy:**

This The Truth is brand-new way for you who has attention to look for some information as it relief your hunger info. Getting deeper you on it getting knowledge more you know or perhaps you who still having little bit of digest in reading this The Truth can be the light food in your case because the information inside this particular book is easy to get by anyone. These books build itself in the form and that is reachable by anyone, sure I mean in the e-book application form. People who think that in publication form make them feel drowsy even dizzy this reserve is the answer. So there isn't any in reading a book especially this one. You can find what you are looking for. It should be here for a person. So , don't miss this! Just read this e-book type for your better life as well as knowledge.

**Phyllis Sharow:**

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that reading through is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this The Truth can make you sense more interested to read.
