Broken Dolls By Kitty Thomas

Mina Calloway always finds herself in the hands of the wrong master: Gentle at first, then brutally sadistic and abusive. She no longer believes it's possible to find a man who will be gentle with her. After seeing a kink-friendly therapist for months, the doctor makes her an illicit offer she isn't yet smart enough to refuse: "Let me find you a good master."

Brian Sloan is a borderline sociopath with a dark and brutal past. Only taking his sadistic urges out on the women at a submissive training house allows him to sleep through the night. When Brian sees Mina, she should be ripe for the picking, but her damage is too similar to his own. Can he fight past his demons to protect the one person he considers worth saving?

Note: This book happens in the same world as *Guilty Pleasures* with reoccurring settings and characters. However, it is not a direct sequel and it isn't necessary to have read *Guilty Pleasures* first. If you enjoy this book, however, you may also enjoy *Guilty Pleasures* by Kitty Thomas.

Editorial Review

From the Author

Chopin (particularly the nocturnes) play a big role in this book, so my suggestion if you'd like one, is: play some Chopin in the background while you read.

Thank you for reading and supporting my work!
