Expatriates: A Novel of the Coming Global Collapse (Coming Collapse) By James Wesley Rawles

In the latest survivalist thriller from founder of survivalblog.com and *New York Times* bestselling author James Wesley, Rawles, two expat families struggle for their very survival in the midst of a global economic collapse.

When the United States suffers a major socioeconomic collapse, a power vacuum sweeps the globe. A newly radicalized Islamic government rises to power in Indonesia, invades the Philippines, East Timor, Papua New Guinea, and finally northern Australia. No longer protected by American military interests, Australia must repel an invasion alone.

In the thick of these political maneuvers, an American family of missionaries living in the Philippines and a Texan petroleum engineer in Australia must face the fear of being strangers in a world in flux. Are their relatives back home healthy and safe? Will they ever see them again?

In its depiction of the authentic survivalist skills and techniques needed to survive a global socioeconomic meltdown, *Expatriates* is as informative as it is suspense-filled.

Editorial Review

From [Booklist](#)

Rawles' latest novel, set during a future global collapse, features characters in different parts of the world coping with life stripped of modern conveniences and technology. It's a bit like the NBC television show *Revolution* but on a more global scale. People must rely on each other, and trust is as big a commodity as gold or silver. The novel follows *Survivors* (2011) and *Founders* (2012), both of which follow concurrently what Rawles calls "the coming collapse," making it possible for readers to jump into the beginning of the end at any point. For dystopia and action fans. --Jeff Ayers

"It's [three hundred and seventy] pages of adventure, excitement, and page-turning thrills." – *IfItHitsTheFan.com*

"Rawles' *Survivors* is well worth reading. . . well-written and informative, and speaks with an honesty and bluntness often missing from the policy prognostications of the political elite." – *The New American*
