Editorial Review

Review

The book draws mainly from the teachings of the Author's master Sri Aurobindo. A write-up on Sri Aurobindo follows. Sri Aurobindo (Aurobindo Ghose) (Bengali: Sri Ā'robindo) (15 August 1872 5 December 1950) was an Indian nationalist and freedom fighter, major Indian English poet, philosopher, and yogi. He joined the movement for India's freedom from British rule and for a duration (1905-10), became one of its most important leaders, before turning to developing his own vision and philosophy of human progress and spiritual evolution. The central theme of Sri Aurobindo's vision is the evolution of life into a "life divine". In his own words: "Man is a transitional being. He is not final. The step from man to superman is the next approaching achievement in the earth evolution. It is inevitable because it is at once the intention of the inner spirit and the logic of Nature's process". The principal writings of Sri Aurobindo include, in prose, *The Life Divine*, considered his single great work of metaphysics, *The Synthesis of Yoga*, *Secrets of the Vedas*, *Essays on the Gita*, *The Human Cycle*, *The Ideal of Human Unity*, *Renaissance in India* and other essays, *Supramental Manifestation upon Earth*, *The Future Poetry*, *Thoughts and Aphorisms* and several volumes of letters. In poetry, his principal work is *Savitri - a Legend and a Symbol* in blank verse. --Wikipedia

Users Review

From reader reviews:

Peggy Hahne:

Why don't make it to become your habit? Right now, try to ready your time to do the important take action, like looking for your favorite book and reading a book. Beside you can solve your problem; you can add your knowledge by the guide entitled *Looking from Within*. Try to the actual book *Looking from Within* as your buddy. It means that it can to get your friend when you experience alone and beside that of course make you smarter than ever before. Yeah, it is very fortuned for you. The book makes you more confidence because you can know every little thing by the book. So, let me make new experience in addition to knowledge with this book.

Inge Reader:
