Peg Boy By R G Berube

Many unorthodox ways of life were allowed during the early days of the California Gold Rush. The demands of the times and a great influx of races forced tolerance. San Francisco became notorious for its lawlessness, its gambling casinos, and its bordellos and madams. The Barbary Coast became a part of California's history and San Francisco's heritage. The Barbary Coast was an area near the waterfront that law enforcers found almost impossible to control. Those who operated establishments there, refused to abide by the gradually encroaching law and order being established by the other parts of town. For along the Barbary Coast any vice could be bought. There also, a little-known vice guarded with great secrecy were the male houses of prostitution. Some of the more clandestine operations offered young boys. Most of these boys had few means of survival other than their wits and bodies. Known as peg-houses, the places provided young boys to those who were able to meet the extraordinary prices. These houses were often operated by unscrupulous and ruthless men who provided the boys with drugs, thereby chaining them by their addictions. These could become hopeless addicts unable to function as anything but subservient slaves to their masters. An international slave trade supplied these houses with boys who were enticed or kidnapped from all over the world. Peg-houses were common in the Orient. The custom was brought to the West by seamen who had grown fond of such pleasures. Boys were trained to service customers by wearing wooden peg of gradually increasingly size. They would be offered for selection while sitting on stools that displayed the properly sized peg protruding from the bottom to indicate the size penis that each boy had been trained to accommodate. This is the story of Santiago Cali, one such boy.

Editorial Review

From the Author

In response to the existing one-star review..., take a "Look Inside" and judge for yourself to see if the quality of writing matches the opinion given! Be especially concerned with the review that states: "the story was ok, but the type was all over the page, words missing or printed backwards,no page numbers. The boy named Kim, suddenly becomes Timothy, what gives?" This customer likely bought an older original version of the book from a second party vendor and was sent a copy which had no page numbers and was erratically printed.

The current e-book edition has been edited to conform to issues of questionable material as imposed by Amazon KDP, not reflected in the paperback version. The current e-book and paperback are the ones to buy from Amazon as they contains all recent editorial changes. Click on the book and see sample pages to verify it is the author approved version. Sorry for any inconvenience! Giving birth is painful.

About the Author

Raymond G. Berube, M.Ed. is a teacher, author, therapist currently living in Aachen Germany with his partner of 25+ years. He has studied hypnosis, NLP, and Stress Management. Raymond has trained with Dr. Milton H Erikson and Dr.Piero Ferrucci of Florence, Italy in 1986 while there doing research for a novel about Emperor Hadrian, on sale with Amazon.
