Scarlet Nights: A Novel (Edilean) By Jude Deveraux

In the third book in the Edilean series from New York Times bestselling author Jude Deveraux, a young woman learns that her fiancé is not who he appears to be.

Sara Shaw and Greg Anders are engaged to be married. Unfortunately, unbeknownst to Sara, Greg is a big time fraud man, descended from a long line of con artists and thieves. In fact, his mother is also in Edilean, incognito, masterminding a scheme to pull off the heist of her lifetime—and Greg is using Sara to get closer to what his mother is seeking.

But when Mike Newland, a sexy undercover cop, who is investigating Greg and his family, enters the picture, he is able to tip Sara off that her fiancé is not who he seems. When he asks Sara to help him gather evidence against Greg and his mother she is terrified—especially since it means she must pretend to still love Greg, even after she has found out the terrible truth about him.

As they work together Sara gets to know Mike and find out about his long connection to the town of Edilean. And with the help of Jocelyn from *Lavender Morning*, they at least learn the secret that has been haunting Edilean for almost seventy years.

Editorial Review

From Publishers Weekly

Deveraux (Days of Gold) returns to Edilean, Va., to tie up some loose ends, return to familiar characters, and introduce a few new ones. Sara Shaw is happily preparing for her marriage to Greg Anders, and though her family doesn't like him very much, she sees his good nature. That is, until he disappears three weeks before the wedding, and Mike Newland crawls through the trapdoor in the floor of her apartment. As it turns out, Mike is her friend Tess's brother and a cop investigating Greg, who is actually a criminal with a fiendish plan that Mike doesn't yet fully understand. As Mike and Sara fall in love, they remain at risk until they can figure out what Greg wants. Readers familiar with the series will delight in immersing themselves back in the comfortable world of Edilean, and new readers should enjoy exploring it with Mike and Sara. While the threat presented by the villains is minimal, Deveraux's colorful cast and easy way with words shine, even if the story's thin on plot.

Undercover detective extraordinaire Mike Newland's new and urgent case sends him from Ft. Lauderdale to Edilean, Virginia, the setting for Deveraux's popular series. His job is to protect Sara Shaw, whose fiancé Greg is part of the notorious Vandlo crime family. Everyone in Edilean hates Greg except Sara, who stubbornly believes in Greg even after he disappears weeks away from their wedding. Mike figures it will be easy to get Sara to trust him; women have always been attracted to him. But Sara is the exception. Weary of being seen as weak, she believes hunky Mike, brother of her best friend, has been sent to tempt her away from marrying Greg. The longer Mike stays, however, the more appealing he becomes to Sara, and soon they begin revealing secrets to each other, including Mike's true mission. As Deveraux continues her series, she brings to life the sort of sweet and spunky heroines who attract the muscular men her fans expect and enjoy. So this is another guilty-pleasure romance of suspense that will hook readers and leave them with a smile. --
Patty Engelmann

Review

"Deveraux is a master storyteller, and her books fairly shimmer with excitement and adventure, making her one of the most popular women's fiction writers today. "Scarlet Nights" is no exception. With strong characters, down-home charm, and an intriguing story, fans will enjoy catching up with the folks from Edilean" --"Times Record News"

Users Review
