The adventures continue....

New York Times Best-Selling Author Chuck Dixon is considered one of the most prolific writers in the history of the comics medium and is perhaps best known for his decade-long run on multiple Batman titles. They are highly trained. Their missions are classified. They are our best and last hope. Yet they do not exist. Follow Seal Team Six as they train, hunt and fight an enemy who reaches out from the most remote corners of the world to murder and maim. These highly-trained, military men are the unknown heroes who endure unimaginable hardship and murderous combat to protect our homeland.

In Seal Team Six: Duty Elsewhere, the team is divided as Manny and Heath go on a personal mission of vengeance that takes them into the brutal world of the narco cartels. This one is off-the-record and on American soil and the pair won't stop until full payback is made and to hell with posse comitatus. The two SEALS face overwhelming odds and their own personal demons as they stalk their prey from the city streets to the high desert. Priest leads the rest of the team into the

jungle of the Philippines in search of a downed drone packed with sensitive intelligence. The stakes are life and death for thousands of innocents and the team is outnumbered and outgunned once again in a hostile land. Action in the homeland and overseas as the team splits up to do bad things to bad people!

"This is straight up, unapologetic military action set against the fast-changing background of the war on terror," says Seal Team Six writer Chuck Dixon.

"There's no mercy and no rules as the world's toughest warriors face the world's most murderous outlaws. If you're tired of heroes who pull their punches and question their own motives and missions, this one's for you. These are true American super-heroes fighting in the worst places in the world to ensure our safety."

"Chuck is a damn good writer who is really good at hooking you, giving you fun characters, and telling you one hell of an adventure story."

-- Larry Correia, Monster Hunters International, the Grimoir Chronicles

"An intelligent and well thought-out high action time travel story."

-- Noah Mullette-Gillman, Luminous and Ominous

"Dixon excels at putting down action, of introducing larger-than-life heroes, kicking them through the door into a big mess, and having them sort out a situation in a flurry of martial arts moves and big guns."

-- Mel Odom, The Rover series.

Prologue from Dynamite's New eBook: **SEAL TEAM SIX NO MORE: REKINDLED FLAME:**

Darkness surrounded Flame as he crouched with the front of his left shoulder just touching a wall of some kind, the familiar shape of an M4 cradled in his arms. Where the hell am I? he asked himself. What am I supposed to do?

He shook his head—felt a familiar weight on it. Night vision! He fumbled for the boxy system, and pulled it down in front of his eyes. Now where's that switch...?
