### The Exile By Allan Folsom

Night in the California desert: John Barron---the youngest cop on the LAPD's feared 5-2 squad---will get a baptism of blood and fire on a night he will never forget.

Panic on the streets of LA: An international hit man no one can stop---not the governments he threatens, not the prisons that try to hold him, not LA's bloodiest rogue cops.

Rebecca Barron, John's ravishingly beautiful sister: A night of traumatic terror has left her tragically mute. Now, trapped in a web of global intrigue---and pursued by the same sinister hit man menacing institutions of power worldwide---she will find the shocking violence that robbed her of her speech was only the beginning of a far darker odyssey.

A world-famous baroness---as sensuous as she is singularly cruel---will stop at nothing to fulfill her own maniacal dream, one destined to topple governments and dethrone dynasties, catapulting her to the pinnacle of global power . . . while the world holds its breath and waits.

### Editorial Review

#### From [Booklist](#)

Folsom, the author of the thrilling *Day after Tomorrow* (1994), which has no connection to the recent movie, and the decidedly less thrilling *Day of Confession* (1998), returns mostly to form in this fast-paced, exciting adventure. John Barron, a young LAPD detective, assists in the capture of a vicious killer, who dies during surgery following a gunfight. But some of his fellow cops are also killed in the process, and Barron is forced to leave the department, and the country, to avoid retribution from his former colleagues and friends. He assumes a new identity, moves to Europe, meets a nice lady--and then is confronted with the terrifying prospect that the villain who supposedly died in L.A. is not dead after all and is moving forward with his original plan. Written in short chapters, with a sturdy hero and a despicably clever villain, the novel grabs readers from the opening scenes and rarely lets them loose. Although it seems as though the author has written the book with an eye toward a future movie adaptation--short chapters, plenty of physical action, a constant reminder of the date and time, some scenes even written from an audience's point of view ("The viewer realized that somewhere out there was Raymond")--it isn't an outline posing as a novel. Sure, it's slick and a bit superficial, but it does what it sets out to do: deliver breathless excitement. *David Pitt*

#### Review

"A heart-thumping, stay-up-late novel . . . Wild, unputdownable . . . Brilliant."

---*Los Angeles Times Book Review* on *The Day After Tomorrow*

"Once you start *The Exile*, forget sleep. Its fierce, complex suspense is fast as a 9mm slug and tight as a hangman's noose."

---Stephen Coonts

"More twists and turns than a strand of DNA."---William Peter Blatty, bestselling author of *The Exorcist*, on *The Exile*

"Hold on tight---from the first scene Folsom spins a tale of page-turning suspense."

---W. E. B. Griffin on *The Exile*

"You only have to read the explosive opening to know you're in the hands of a natural storyteller."---Andrew Klavan on *The Exile*

"A chilling jigsaw puzzle . . . This thriller doesn't leap out of the starting gate---it's catapulted."---*Cleveland Plain Dealer* on *The Day After Tomorrow*

"Folsom is an enthusiastic storyteller with a talent for vivid characterization on a big canvas."

---*Chicago Tribune* on *Day of Confession*

"Once you start *The Exile*, forget sleep. Its fierce, complex suspense is fast as a 9mm slug and tight as a

hangman's noose." (Stephen Coonts)

"Hold on tight---from the first scene Folsom spins a tale of page-turning suspense." (W.E.B. Griffin)

"More twists and turns than a strand of DNA." (William Peter Blatty *Bestselling author of The Exorcist*)

"You only have to read the explosive opening to know you're in the hands of a natural storyteller." (Andrew Klavan *Two-time Edgar Award winning author of True Crime and Don't Say a Word*)
