Editorial Review

About the Author

My name is Michael J. Myers and I have been a MotorHead from the start. I was raised in South Jersey and have been here ever since. Growing up the difference between most of my friends and I was the location of our toys. When my friends wanted to "play" they went to the toy chest or the closet. My toys were in my garage. Between my dirtbikes, quads and Dad's classic car all I needed was dirt trails and open roads in place of a playground. While I never intended to sit down and begin writing children's books, for I am a 23-year-old MotorHead, the idea came to me one day and has consumed me ever since. The Noisy Snails started as a vision that worked its way into a book, and then into a series of books...The MotorHeadGarage Series.
