### Becoming a Girl of Grace: A Joint Bible Study for Tween Girls and their Moms By Catherine Bird

Finding responsible role models can be especially difficult if you are a tween girl, or the parent of one. In *Becoming a Girl of Grace: A Joint Bible Study for Tween Girls and Their Moms*, author Catherine Bird takes a close look at some of the amazing ladies of the Bible and the character traits they model for today's tween girls. These women of yesterday have a lot in common with those of today. Today's girls must face mean peers and bullies, deal with feeling left out of a group of friends, and learn to like themselves. What may come as a surprise is that these are not new social dilemmas. The Bible is full of examples of strong women who chose to follow God and pursue faith despite what was happening in their world and culture. *Becoming a Girl of Grace* is prayerfully and intentionally written for tween girls to share with their moms. God made each and every one of us in His image, but we are all unique. This includes moms and daughters, who are joined by family ties and yet remain individuals. This Bible study offers a great way for tween girls and their moms to bridge and appreciate their differences and share what is in their own hearts and minds.

### **Editorial Review**

#### **From the Inside Flap**

As a mom of two daughters, Catherine understands how unique the mother/daughter bond truly is. A few years ago, she looked tirelessly for a Bible study to share with her tween daughter. Catherine found countless options for children and teens but very few for the tween age group and none of these options were designed for moms and tween daughters to share together. Recognizing an unfulfilled need, Catherine wrote "Becoming a Girl of Grace." Moms and daughters will take a closer look at some of the amazing ladies of the Bible and the character traits they model for modern tween girls. These women of yesterday have a lot to share with the girls of today! Dealing with mean girls and bullies, feeling left out, and learning to like oneself are not new social dilemmas. The Bible is full of examples of strong females who chose to follow God and pursue faith despite what was happening in their world and cultures.
