Endless Love (P.S.) By Scott Spencer

The impassioned love of two teenagers leaves a path of destruction in its perilous wake

Seventeen-year-old David Axelrod is consumed with his love for Jade Butterfield. So when Jade's father exiles him from their home, David does the only thing he thinks is rational: He burns down their house. Sentenced to a psychiatric institution, David's obsession metastasizes, and upon his release, he sets out to win the Butterfields back by any means necessary.

Brilliantly written and intensely sexual, *Endless Love* is the deeply moving story of a first love so powerful that it becomes dangerous—not only for the young lovers, but for their families as well.

This ebook features an illustrated biography of Scott Spencer, including rare photos from the author's personal collection.

Editorial Review

Review

“Scott Spencer is a magnificent writer, and *Endless Love* is his finest novel.” —Anne Tyler

“The sensations aroused are akin to the legendary thrill of riding a roller-coaster. The speed, the fear, the anticipation sharpen the pleasure of walking quietly on solid ground.” —*The Washington Post*

“[Spencer] finds perfect pitch on the first page and never lets go.” —*The Atlantic Monthly*

From the Back Cover

The classic novel that has been translated into over twenty languages and has sold more than two million copies worldwide

One of the most celebrated novels of its time, *Endless Love* remains perhaps the most powerful book ever written about young love. Riveting, compulsively readable, and ferociously sexual, *Endless Love* tells the story of David Axelrod and his overwhelming love for Jade Butterfield.

David and Jade are consumed with each other: their rapport, their desire, their sexuality, take them further than they understand. And when Jade's father banishes David from the home, he fantasizes the forgiveness his rescue of the family will bring, and he sets a "perfectly safe" fire to their house. What unfolds is a nightmare, a dark world in which David's love is a crime and a disease, a world of anonymous phone calls, crazy letters, and new fears—and the inevitable and punishing pursuit of the one thing that remains most real to him: his endless love for Jade and her family.

Published in 1979 and hailed as "one of the best books of the year" by the *New York Times*, *Endless Love* is the novel that first established Scott Spencer as "the contemporary American master of the love story" (*Publishers Weekly*).
