Evangelism and the Sovereignty of God (IVP Classics) By J. I. Packer

If God is in control of everything, can Christians sit back and not bother to evangelize? Or does active evangelism imply that God is not really sovereign at all? J. I. Packer shows in this new edition to the popular IVP Classics how both of these attitudes are false. In a careful review of the biblical evidence, he shows how a right understanding of God's sovereignty is not so much a barrier to evangelism as an incentive and powerful support for it. With over 100,000 copies in print, *Evangelism and the Sovereignty of God* is truly a classic that should be read by every Christian.

Amazon.com Review

The mystery and seeming paradox between evangelism and God's sovereignty has been causing disagreements and confusion among Christians since the beginning of the 20th century. In *Evangelism & the Sovereignty of God*, J.I. Packer reveals that a faulty understanding of the Bible leads to the assessment that these doctrines are foes rather than friends. By debunking the erroneous view that "robust faith in the absolute sovereignty of God is bound to undermine any adequate sense of human responsibility" toward evangelism, the author adeptly moves through the obstacle course of tricky theology with ease and grace, allowing the reader a more complete understanding of the mystery of salvation. Packer manages to tackle an overwhelming piece of doctrinal truth and contain it within the subject of evangelism by concisely determining what evangelism is and what it is not. "It is our widespread and persistent habit of defining evangelism in terms, not of a message delivered, but of an effect produced in our hearers." This error is corrected when one is renewed in his or her knowledge of the sovereignty of God. Of course, fault is found on the other side as well, with those who so heavily rely on God's sovereignty to save the lost that they are lazy in obeying God's command to share the Gospel. Packer insists that love for God, at the very least, should draw one out of this stagnation and that the coupling of these seemingly diabolical doctrines will make one bold in speech, patient in God's timing, and prayerful for the salvation of others. --Jill Heatherly

Review

"A short but exceedingly powerful book. Packer shows that rather than precluding evangelism, God's sovereignty provides the most powerful incentive and support for it. . . . [C]ontains impressive depth and contains a thorough and satisfying treatment of the subject." (Discerning Reader)

"I've often recommended this book to faithful Christians who are confused about how they are to think about prayer, missions, giving--any area in which our efforts could be wrongly pitted against God's own necessary action. Packer introduces us to clear truths, handles Scripture with exemplary care, and supplies us with just the right amount of illustrations and application." (From the foreword by Mark Dever, Senior Pastor, Capitol Hill Baptist Church, Washington, D.C.)
