**LANDSCAPE PAINTING with Gary Jenkins** By Gary Johnson / Vera A. Donavan and Phillip C. Myer

By Gary Jenkins. This book is an instructional text to be used by beginners or accomplished painters with an interest in landscape painting. It includes descriptions of brushes, paints, various media and supplies, and stroking techniques developed by the author to accomodate and enhance the art of landscape painting. Each painting is developed in a logical sequence and described in such a manner as to avoid the potential frustration which so often accompanies the beginner painter. A few of the more difficult paintings have been broken down into stages to further simplify the development of the painting.  
1984 by Martin/F. Weber Company Fine Art Library
