The Koran: It may be the most controversial book in the world. Some see it as a paean to peace, others call it a violent mandate for worldwide Islamic supremacy.

How can one book lead to such dramatically different conclusions? New York Times bestselling author Robert Spencer reveals the truth in *The Complete Infidel's Guide to the Koran*: not many Westerners know what's in the Koran, since so few have actually read it -- even among the legions of politicians, diplomats, analysts, and editorial writers who vehemently insist that the Koran preaches tolerance.

Now, Spencer unveils the mysteries lying behind this powerful book, guiding readers through the controversies surrounding the Koran's origins and its most contentious passages. Stripping out the obsolete debates, Spencer focuses on the Koran's decrees toward Jews, Christians, and other Infidels, explaining how they were viewed in Muhammad's time, what they've supposedly done wrong, and most important, what the Koran has in store for them.

From the Inside Flap

The Koran: It may be the most controversial book in the world. Some see it as a paean to peace, others call it a violent mandate for worldwide Islamic supremacy.

From the Back Cover

Praise for *The Complete Infidel's Guide to the Koran*

" Meticulous, comprehensive, indispensable. 'I read the Koran so you don't have to,' Spencer writes--but even for those of us who have read the Koran, this is a richly illuminating work."

--Bruce Bawer, author of *Surrender: Appeasing Islam, Sacrificing Freedom and While Europe Slept*

" Governing officials and media spokesmen may ignore Spencer's warnings, but they do so at their own risk, because Islamic jihadists are not ignoring what's in the Koran, and are working to destroy our freedoms in obedience to Koranic dictates. In illuminating for Westerners exactly what the Koran teaches, Spencer has performed a valuable service in the defense of Western civilization against the Islamic jihad."

--Geert Wilders, Member of Parliament and Chairman of the Party for Freedom (PVV), the Netherlands

" Unlike most of today's self-styled experts, Robert Spencer won't tell you that 'slay the idolaters wherever you find them' really means 'love your enemies and pray for those who persecute you.' In *The Complete Infidel's Guide to the Koran*, Spencer shows once again that he is America's most informed, fearless, and compelling voice on modern jihadism, insisting that we come to grips with the words behind the ideology that fuels international terror."

--Andrew C. McCarthy, senior fellow at the National Review Institute and author of *Willful Blindness: A Memoir of the Jihad*
