### Captain Underpants and the Terrifying Return of Tippy Tinkletrousers (Captain Underpants #9) By Dav Pilkey

Tra-la-laaa! Captain Underpants is back in an all-new epic adventure that's the zaniest, funniest, outrageousest, and time-travelingiest yet!

When we last saw our heroes, George and Harold, they were under arrest and headed for prison. Then Harold foolishly uttered the fateful words "What could be worse than going to jail for the rest of our lives?" and changed the course of human history.

In this ninth epic novel, Dav Pilkey takes readers back in time to the carefree days of kindergarten, when the worst thing George and Harold had to face was NOT evil mad scientists or alien cafeteria ladies but a sixth-grade bully named Kipper Krupp, the nephew of their clueless school principal. And because George and Harold don't actually invent Captain Underpants until fourth grade, the two clever kindergartners are on their own -- using their brains to beat the bully.

Hold on to your UNDERPANTS -- the Captain is back!

### Editorial Review

From School Library Journal

Gr 2-5-This installment in the dependably goofy series picks up with George and Harold, who have been wrongfully accused of crimes committed by their evil twins, now in juvie. However, they soon travel back in time to kindergarten, courtesy of the troublemaking Tippy Tinkletrousers. Their biggest issue now is that they are stuck as kindergarteners and they don't have Captain Underpants to save them from Kipper Krupp, the sixth-grade bully. Will they be able to beat him on their own? Pilkey holds true to the formula his readers love, with clever cartoons throughout the book and plenty of humor. In spite of the fact that this is a very silly book, Pilkey does also manage to include some anti-bullying messages. It's sure to be a hit with beginning chapter-book readers, particularly fans of the series.-Elizabeth Swistock, Jefferson Madison Regional Library, VAα(c) Copyright 2011. From the Author

NOTES (from Pilkey.com):

*"One thing that had always bothered me throughout this series is that I'd never written an origin story. The first epic novel began with George and Harold as best friends. I'd only written a few sentences about their previous experiences together, and I really wanted to explore their past relationship more deeply. I wanted to know how they met. Did they have any other adventures BEFORE they created Captain Underpants?"*

*So I thought about it. For many years I pondered these things. Eventually, I came up with a good story. But how could I tell it? It seemed strange to just release an origin story all by itself. There was no way to include it in the Captain Underpants series, because Captain Underpants wasn't around until the boys got into 4th*

*grade. You can't have a Captain Underpants book WITHOUT Captain Underpants, can you?*

*For years I had wondered if I was ever going to get to tell the tale of George and Harold meeting, becoming friends, and battling against their very first enemy, Kipper Krupp.*

*Then I thought of Tippy. Tippy Tinkletrousers was very smart. He could build time machines. Perhaps a time machine might allow me to bring everybody back to when George and Harold were in kindergarten? Then I could tell that story!*

*So I wrote another story to "bookend" my tale about George and Harold and Kipper. The "bookend story" consists of the first 72 pages and the last 28 pages. It's one of the reasons why this book is so long (it's over 300 pages--- nearly three times as long as the first epic novel). Thanks to Tippy Tinkletrousers, I got to write the origin story that I'd been wanting to tell for years.*

*When people ask me what my favorite Captain Underpants book is, I always tell them it's this one. More specifically, it's the 200 page story-within-a-story that begins on page 73 of this book and ends on page 273. There aren't any superheroes in that story, and the tale is more grounded in reality than many of the other novels in this series, but for me, it has the most heart." -Dav Pilkey*

#### **Fun Facts:**

**1. Tippy Tinkletrouser's jailbird uniform has the number "84779" sewn on to the front. Mr. Krupp's uniform has the number "23669". Can you figure out the secret meaning behind this numerical system? For a hint, see #4 below.**

**2. George and Harold's first comic book, *The Adventures of Dog Man* was never meant to be anything more than a "one-shot" comic. Dav Pilkey didn't intend for it to become more than just a chapter in book #9. But shortly after the book came out, Dav began getting a lot of Dog Man fan mail. Kids really seemed to like that character (and they liked to draw him, too), so Dav began thinking of more stories about him.**

**In 2015, Dog Man will get his very own full-length book called *Dog Man: World's Greatest Cop*. Dav Pilkey is already working on a sequel.**

**3. Dav Pilkey is not very tech-savvy. He doesn't even OWN a cell phone. So when he illustrated this book (in which cell phones play a part in the story), he gave two of the three bullies "flip phones". Dav was unaware that "flip phone technology" had been outdated for years when he drew these illustrations. He is very sorry and promises to research things better in the future.**

**4: Hint: Look at your phone.**
