**Dirty Red** By Vickie M. Stringer

**From the "queen of urban fiction" (*Publishers Weekly*), Vickie Stringer, comes a scorching tale of love, lies, loss, and the indomitable spirit of a woman scorned.**

Mischievous and manipulative, eighteen-year-old Red is an expert at deception with a provocative femininity. She employs her dirty ways -- even faking a pregnancy with her boyfriend -- to win a closet full of Gucci bags, a deluxe condominium full of baby accessories, a new car, and a book deal. But when one of Red's scams backfires and she winds up truly pregnant by her inmate ex-boyfriend, Bacon, she finds herself in more trouble than she's ever known. The drama truly unravels when Red's picture-perfect cons fall apart due to the power of -- surprisingly -- love.

## Editorial Review

From Publishers Weekly

A little bit of moralizing laces the graphic sex and violence in this third street lit novel by Stringer, publisher of Triple Crown Publications and a former madam and drug dealer. The story spins around Raven "Red" Gomez, a victim of her stepfather's sexual abuse and her mother's rejection, for whom every relationship is another opportunity to con someone out of their cash. From duping her boyfriend Q into believing she's pregnant by using the urine of another woman, to conning her abusive, incarcerated ex out of royalties on his street novel, Red's "goal was to rich at all costs, regardless of who was hurt in the process". For Red, sex- however pleasurable-is a commodity traded for cash and power, children are a means to "catch" a man, and revenge for one's last double-cross is around every corner. This barely plotted tale (after *Imagine This*) serves up some suffering for the immoral Red, but a close getaway at the end promises a sequel. From [Booklist](#)

Stringer's life story rivals her fiction for drama. Now considered the queen of street lit and featured in *Essence* and the *New York Times*, Stringer was once the cocaine queen of Columbus, Ohio. She wrote her first novel in prison, then self-published *Let That Be the Reason* (2001) and *Imagine This* (2004). Both became big hits with the hip-hop crowd, inspiring Stringer to establish her own publishing company, Triple Crown Publications. She now makes her hardcover debut with a calculatedly nasty yet redemptive tale of a ruthless woman warrior. The daughter of a Puerto Rican mother and an African American father, Red is smart, gorgeous, fearless, and mean, running elaborate daredevil scams while living a glamorous, if precarious, life. The source of her rampaging evil? Childhood sexual abuse. Red earns the tag "dirty" many times over as Stringer keeps readers riveted with graphic sex, dangerous characters, profanity-spiked dialogue, and nonstop trouble. Stringer's savvy street thriller has obvious appeal, and the cliff-hanger conclusion suggests that more Dirty Red tales are in the offing. *Donna Seaman*
