### Fantasy Friends By Ewen Cluney

Fantasy Friends is an alternate setting for Golden Sky Stories that takes place in a small village in a high fantasy world. While great heroes are fighting the Dark Lord in distant lands, your village is peaceful, and although it won't always be easy, in this place unlikely friendships can happen. This book adds six new character types: aberrations, constructs, dragons, elementals, shapeshifters, and slimes. Each one has a full set of powers and weaknesses, and each can be reskinned as various types of specific monsters, allowing for dozens of different sorts of creatures. You can also use other Golden Sky Stories character types in the Fantasy Friends setting, and the book includes some suggestions for using those as-is or to represent various types of monsters. You'll also find rules for 36 different magic items to include in your stories, plus fantasy-themed NPCs to populate the town, the peaceful but quirky town of Grassdale, and some ideas for stories. All together, these let you use the rules of Golden Sky Stories to spin heartwarming tales in a fantastical world. In order to play you will need the Golden Sky Stories rulebook, and the usual things it calls for (a few friends, pencils and paper, and some tokens to represent Dreams).
