Flight to Heaven: A Plane Crash...A Lone Survivor...A Journey to Heaven--and Back By Dale Black

Flight To Heaven is a beautifully written and amazing account of life, death - and life again. In the early days of his flying career, Capt. Dale Black was a passenger in a horrific airplane crash which some have called the most ironic in aviation history. He was the only survivor. In the gruesome aftermath of the crash Dale experienced a life-changing journey to heaven. This was not a vision or a dream, but a very real experience. To say that his journey to heaven transformed him forever, is an understatement. Not only was Dale's life forever altered but his story has already changed the lives of tens of thousands.

In this captivating book you'll learn about angelic guides, living Light, and indescribable music from the astonishing city of gold. Dale describes the luxurious countryside, the massive rainbow colored wall with gates of pearl, the awesome townships and the spiritual family that welcomed him. He shares with intricate detail the glorious beauty, radiant colors, intoxicating aromas, and boundless love and joy he experienced while in heaven.

To those who have lost loved ones, this book is a source of deep comfort. It also gives readers renewed purpose and glorious hope for the future. This story is full of challenges and struggles that culminate in "overcoming faith" guaranteed to inspire. This flight to heaven dramatically changed Dale's life - reading this book could change yours too.

As a publisher of four Canadian Best Sellers, a Search and Rescue Pilot, Photographer and Christian, I have found "Flight To Heaven" by Captain Dale Black, one of the most inspiring books I have ever read! It is easy to read, factual and from the moment you start, you won't want to put it down. My wife and I ordered 15 copies for friends we love, just hours after finishing this amazing story.

Review

I purchased this book as a gift for my dad, a retired airline captain, but soon discovered I couldn't put it down. Both of us are professional pilots and we easily rate it 5-Stars. The aviation aspects of the book are professional and technically accurate, yet the emphasis throughout is on a loving God. We think the book is a masterpiece and could be enjoyed by everyone, pilot or not.

Capt. E. Layton - Boeing 757 - Major Airline Pilot

This "life after death" true-story is both a page-turner and a faith-builder. The author does not commercialize his experience of heaven but tells it in a humble and reverent way while using breathtaking descriptions. I have recommended this book to my entire church.

Dale's experience of the plane crash and trip to heaven has given him an incredible sense of looking at normal life through a spiritual lens and humble spirit. His commitment to Biblical truth and his ability to communicate from the heart as well as the head is admirable. Read this book and be prepared to be blessed in remarkable ways.
