### Gable (The Powers That Be Book 1) By Harper Bentley

Gable Powers had all the makings of everything my father had ever warned me about: a reputation that was anything but stellar, a dirty mouth that had me shivering at the things he uttered in my ear, and a body (oh, God, that body) that was covered in tattoos, all of which added up to a solid ten-point-oh on the bad-boy scale.

The first time I met him, I instantly loathed him.

The second time was even worse.

He was a jerk. He was an ass.

He had secrets.

He was nothing I thought I ever wanted.

So why couldn't I resist him?

New adult. Not recommended for readers under 17.
