### Editorial Review

From the Back Cover

*Three young heirs, imprisoned by an unscrupulous uncle, escaped—to the sea, to the streets, to faraway battle—awaiting the day when they would return to reclaim their birthright . . .*

Lord Rafe Easton may be of noble blood, but survival taught him to rely only on himself and to love no one. Yet when he sets eyes on Miss Evelyn Chambers, an earl's illegitimate daughter, he is determined to have her, if only as his mistress . . .

After her father's death, Evelyn Chambers never imagined she would be sold to the highest bidder, yet circumstances give her little choice but to accept the lord's indecent proposal. Rafe is wealthy, as well as ruthless. Yet his coldness belies deep passion and deeper secrets. If she must be his, Evelyn intends to lay bare everything the Lord of Pembroke is hiding. But dark discoveries threaten to destroy them both until unexpected love leads the last lost lord home . . .

### About the Author

Lorraine Heath always dreamed of being a writer. After graduating from the University of Texas, she wrote training manuals, press releases, articles, and computer code, but something was always missing. When she read a romance novel, she not only became hooked on the genre, but quickly realized what her writing lacked: rebels, scoundrels, and rogues. She's been writing about them ever since. Her work has been recognized with numerous industry awards, including RWA's prestigious RITA®. Her novels have appeared on the *USA Today* and *New York Times* bestseller lists.
