## Melting Point By Terry Towers

From New York Times and USA Today bestselling author, Terry Towers.

Faith is the only woman working in a man's world, some more open to her being there than others. She has learned to keep her head down and her nose to the grindstone; in many ways, she prefers it that way. This all changes when sexy, seductive welder Trent, is hired; being near him makes her question her strict rules on workplace romances. Not to mention, his mere touch makes her burn hotter than the torches she wields, bringing her to her melting point.
