**Messiah's Handbook: Reminders for the Advanced Soul** By Richard Bach

In *Illusions: The Adventures of a Reluctant Messiah*, Richard Bach met Donald Shimoda, a fellow pilot with the keys to the universe who barnstormed the Midwest in a Travel Air biplane. Part of Shimoda's secret was a small book, bound in what looked like suede: *Messiah's Handbook, Reminders for the Advanced Soul*. "Open it," he said, "and whatever you need to know is there." Lost for decades and rediscovered, here it is in print at last—reminders for those who have outgrown cynicism and doubt.

### Editorial Review

#### Amazon.com Review

Readers of Richard Bach's *Illusions: The Adventures of a Reluctant Messiah*, will recall that said messiah, Donald Shimoda, carried with him a small book entitled the *Messiah's Handbook*. According to Shimoda, all Bach had to do was, "Open it, and whatever you need to know is there." Now, decades after *Illusions* was first published, Bach has made the handbook available to all of us "advanced souls in training."

Rather than reading it cover-to-cover, Bach counsels us to close our eyes, focus on the question we want an answer to, then open the handbook at random, open our eyes and read what's on the page. In this regard, *Messiah's Handbook* can be likened to a 21st century version of the *I Ching* or *The Book of Runes*, with the same appeal to readers who enjoys such works. Each page is composed of a single, thought-provoking aphorism.

As with all of Bach's books, at the heart of *Messiah's Handbook* is his encouragement to his reader to follow the drumbeat of their dreams without compromise or apology, knowing that we can have what we desire so long as we believe we can. Used as directed, *Messiah's Handbook* is a delightfully insightful guide for making those dreams come true.--Larry Trivieri Jr.

#### Review

Richard Bach's at it again with *Messiah's Handbook*, having established himself as a significant spiritual voice for the masses. -- *Magical Blend Magazine*, October 2004

#### About the Author

Richard Bach is the author of 17 books, including the bestselling *Jonathan Livingston Seagull* and *Illusions*. A former USAF fighter pilot, gypsy barnstormer and airplane mechanic, he flies seaplanes today.

### Users Review

#### From reader reviews:
