**Nemesis: A Kick-Ass Girls Club novel (Volume 1)** By N. L. Gervasio

Prince Charming was a putz.

Prince Charming number two was even worse.

After the last prince ran off without any notice, breaking her heart and their engagement along the way, Nemesis Mussolini swore off men and passed the time kicking ass and slinging drinks, something her mafia father would never approve of. But, when her boss Clancy ups his flirtations, it's difficult to remember she's not interested, especially when he gets that delicious evil glint in his eye that has her melting. Just when Nemy starts to think all men might not be bad, she hears whispers about Clancy's less than legal past, and wants to run like hell from the idea that he could be just like her father.

Great . . . Prince Charming number three may possibly be on FBI's Most Wanted.

While Nemy and Clancy tumble down the romance road, hitting potholes every step of the way, Nemy discovers how much of her heart already belongs to Clancy, and how much of a Don's daughter she really is. But she must learn to trust again. Can Nemy surrender in time to get her happily ever after, or is she hell-bent on letting her past keep her from the one man who could be her true Prince Charming?

### **About the Author**

NL “Jinxie” Gervasio is a creator and destroyer of worlds. She is a freelance editor, an author, and has discovered she’s quite good at the romance thing—writing it, that is—along with vampires, werewolves, zombies, angels and demons. Jinxie is the CEO and Founder of Just Ink Press, her second publishing company, and she also owns and operates Forever Nocturne e-zine, a bi-annual literary magazine. Jinxie reviews books in her spare time, of which she rarely has any. Born on Friday the 13th, Jinxie’s dad wanted to call her Jinx, but her mom said no. Thirty-four years later, she adopted it as her online name and has used it ever since. Jinxie lives in Tempe, Arizona with Umi (her mother), whom she cares for. She enjoys riding her beach cruiser “The Betty” around downtown Tempe, loves a good pub crawl, and has had the pleasure and the heartache of experiencing a love far greater than she could have ever imagined. She welcomes you to her worlds. Jinxie is the author of the Kick-Ass Girls Club series book "Nemesis," and the Prophecy series books "The Dracove" and "Gods & Vampyres," as well as anthologies "Into the Darkness" and "Undead Uncensored."
