By Corey Ann Haydu

## OCD Love Story By Corey Ann Haydu

In this “raw and well-crafted (*Kirkus Reviews*)” romance, Bea learns that some things just can’t be controlled.

When Bea meets Beck, she knows instantly that he’s her kind of crazy. Sweet, strong, kinda-messed-up Beck understands her like no one else can. He makes her feel almost normal. He makes her feel like she could fall in love again.

But despite her feelings for Beck, Bea can’t stop thinking about someone else: a guy who is gorgeous and magnetic...and has no idea Bea even exists. But Bea spends a lot of time watching him. She has a journal full of notes. Some might even say she’s obsessed.

Bea tells herself she’s got it all under control. But this isn’t a choice, it’s a compulsion. The truth is, she’s breaking down...and she might end up breaking her own heart.

### Editorial Review

#### From School Library Journal

Gr 9 Up—Bea, a high school senior, struggles with obsessive-compulsive disorder. She wants to think of herself as a regular teen with a few interesting quirks, but as readers discover more about her past, it is clear that her problems run deeper than she is willing to admit. She falls for Beck, a boy in her therapy group who washes himself constantly and must do everything in groups of eight. Beck likes her, but he doesn't know that she spends her spare time eavesdropping on a musician and his wife, often following them back to their apartment building. Haydu has created a believable protagonist in this beautifully written first novel; however, it is sometimes difficult to view her with sympathy rather than alarm as her stalking behaviors escalate. And she is terrified that she will hurt someone, either by accident with her car or on purpose with a knife or other sharp object. Bea's head is constantly buzzing with intrusive thoughts and the irresistible need to perform the rituals that ease her anxieties. Revelations about both teens suggest that traumatic events in their lives triggered their OCD. Therapy figures prominently as Bea has breakthroughs and learns to manage her condition, but despite an upbeat conclusion, there are no magical answers. Beck and Bea's romance is sweet, though troubled. While this is not an easy story to read, teens fascinated by mental-health issues or unusual romances will find it hard to put down.—Miranda Doyle, Lake Oswego School District, OR©(c) Copyright 2013. #### From Booklist

After the lights go out at the high-school dance, Bea discovers fellow-student Beck in the dark, and she talks him through his panic attack. The teens meet again in obsessive-compulsive disorder (OCD) group therapy. Beck is a repeater and a germaphobe—textbook OCD. Initially, though, readers might question whether Bea needs intense therapy or if hers is a case of her parents' paranoia about behavior. In her debut novel, Haydu gradually reveals Bea's anxious perspective and obsessions through therapy sessions and her relationship with her best friend, Harvard-bound Lisha. Readers will easily accept what might, in the hands of a less skillful writer, seem like plot conveniences and connect with the well-drawn Bea and Beck. A compelling portrait of teen behavioral disorders and the struggle to overcome or, at the very least, balance them. Grades 8-12. --Gail Bush

#### Review

"Warning: this book could cause obsessive compulsive reading. Funny, honest and real, "OCD Love Story" stars one of the most likeable narrators in recent YA fiction. Once you start this book, you will find that, like Bea, you just can't help yourself."--Patricia McCormick "author of Cut and Never Fall Down "
