The Truth About the Church of Christ By Hugh Pyle

Dr. Hugh Pyle shares with us that many years ago, a strange religious sect joined the so called "Christian" community. Over the years they have gained a notable following of ill-taught people who are being convinced that this is the one true church, and that it was actually founded by the Lord Jesus Christ on the day of Pentecost. In order to prove their points of doctrine, they use the most chopped-up portions of mismatched and ill-chosen verses imaginable. About three-fourths of their proof texts do not even relate to the subject at hand. This book is a helpful tool for soul winners who would convert these dear, lost people.
