**Thicker Than Water** By Brigid Kemmerer

### On his own

Thomas Bellweather hasn't been in town long. Just long enough for his newlywed mother to be murdered, and for his new stepdad's cop colleagues to decide Thomas is the primary suspect.

Not that there's any evidence. But before Thomas got to Garretts Mill there had just been one other murder in twenty years.

The only person who believes him is Charlotte Rooker, little sister to three cops and, with her soft hands and sweet curves, straight-up dangerous to Thomas. Her friend was the other murder vic. And she'd like a couple answers....Answers that could get them both killed, and reveal a truth Thomas would die to keep hidden.

Answers that could get them both killed, and reveal a truth Thomas would die to keep hidden...

### Praise for Brigid Kemmerer and The Elemental Series

“Magic, suspense, and enough twists to keep you reading until sunrise!”  
—Award winning author Erica O’Rourke

“A refreshingly human paranormal romance... Read fast and keep that heart rate up.”
