**Good intentions are not enough.**

**Join together as a class or small group to explore how to help the poor without hurting them.**

The *Small Group Experience*, an ideal training resource for small groups, Sunday school classes, and parachurch and nonprofit ministries, utilizes free online video lessons to unpack the basic principles of poverty alleviation in an accessible way. Filmed in the U.S. and abroad, each of the six lessons includes discussion questions, application exercises, and materials for further learning. Join the many ministries and churches that are already implementing these ideas, transforming their culture of poverty alleviation, and moving toward helping the poor without hurting them.
