Heir Today Gone Tomorrow (It's Reigning Men Book 2) By Jenny Gardiner

It's all fun and royal games until somebody's heart gets hurt
In his line of work, royal heir Darcy Squires-Thornton has always been content playing second fiddle to close friend Prince Adrian, and happy, too, with whatever brief romantic encounters come his way. Especially one with carefree Caroline McKenzie, whose best friend is engaged to the prince. Fun-loving Caroline McKenzie's motto has always been "love the one you're with". But when the one she's no longer with is the one with whom she's fallen in love, what's a girl an ocean away to do?

What people are saying about Jenny Gardiner's books:

"As Sweet as a song and sharp as a beak, *Bite Me* really soars as a memoir about family--children and husbands, feathers and fur--and our capacity to keep loving though life may occasionally bite."

--Wade Rouse, bestselling author of *At Least in the City Someone Would Hear Me Scream*

"A fun, sassy read! A cross between Erma Bombeck and Candace Bushnell, reading Jenny Gardiner is like sinking your teeth into a chocolate cupcake...you just want more."

--Meg Cabot, NY Times bestselling author of *Princess Diaries*, *Queen of Babble* and more, on *Sleeping with Ward Cleaver*

"With a strong yet delightfully vulnerable voice, food critic Abbie Jennings embarks on a soulful journey where her love for banana cream pie and disdain for ill-fitting Spanx clash in hilarious and heartbreak ways. As her body balloons and her personal life crumbles, Abbie must face the pain and secret fears she's held inside for far too long. I cheered for her the entire way."

--Beth Hoffman, NY Times bestselling author of *Saving CeeCee Honeycutt* on *Slim to None*

"Jenny Gardiner has done it again--this fun, fast-paced book is a great summer read."

--Sarah Pekkanen, NY Times bestselling author of *The Opposite of Me*, on *Slim*

to None
