### **Hold On Tight (Take My Hand Book 2)** By Nicola Haken

A figure from Dexter's past has uprooted all the memories he has tried so desperately to bury... to forget. The terrible events of his past have been blown wide open once again, immersing him a pool of guilt deeper than he's even experienced before.

Dexter feels powerless. The future he foolishly allowed himself to conceive is falling apart around him and there's nothing he can do about it. But there's one thing he can control – one thing he's an expert at... blocking everything out. Losing all control, Dexter copes the only way he knows how – he dives so far into the well of addiction, the only thing that matters anymore is where his next fix is coming from.

Mission accomplished – there's no one left. He's successfully pushed everyone away. Nobody left to care about means no more guilt, right? You can't hurt people who aren't there...

But has he really pushed Emily as far away as he thinks he has? She's given up everything for him – her home, her friends... her whole life. And she doesn't regret a single thing. But can she save him from drowning, or has he finally sunk too far?

(Not recommended for younger readers due to language, explicit sexual content and graphic descriptions of drug use)

## **Editorial Review**

### **About the Author**

Nicola lives in Rochdale, England with her husband and four children (six if you include the dogs!) She is the author of New Adult/Contemporary romance novels Inevitable, Saving Amy and the Take My Hand series - book two of which, Hold On Tight - will be released in December 2013. When she is not busy playing with her imaginary book friends (or talking about them with real life friends!) she can usually be found carrying out her ordinary mum/housewife/all round slave duties. Oh, and if the kids ever ask, she moonlights as the Pink Power Ranger while they're sleeping...

## **Users Review**

### **From reader reviews:**

#### **Janice Martin:**

Here thing why that Hold On Tight (Take My Hand Book 2) are different and reputable to be yours. First of all looking at a book is good however it depends in the content from it which is the content is as delicious as food or not.
