## PIT To LAX: My Story Worthy Life By Christine Blackburn

For Christine Blackburn, the youngest of six kids growing up in Pittsburgh, the idea of living in Los Angeles and working in the entertainment industry seemed like a dream (or at least something you only saw on television). Instead she took a circuitous route—first as a flight attendant, then in the Peace Corps—with some unforeseen setbacks: a rare cancer diagnosis at age 31. With a survivor’s renewed sense of urgency, Blackburn finally found the courage to take the leap to Los Angeles and pursue her life as a performer, or at least... as a contestant on “The Dating Game.” PIT To LAX, My Story Worthy Life is a series of memories about loving, losing, and letting go, which will inspire you and stay with you long after you’ve left its last pages.
