**Summer's Edge: A student teacher romance** By Noël Cades

*He's fighting it but he needs this as much as I do.*

When Stewart Walker finds out the girl he kissed is a student at his school he's furious and determined to keep away. But 18-year-old Alice has fallen hard and won't give up.

She wants him to teach her body and her mind, even though a relationship is strictly against the rules. He's struggling to resist the attraction despite knowing he could lose his job.

Throughout the illegal raves and festivals of Britain's summer of '92, Alice and Stewart dance closer and closer to the edge.

Summer's Edge is a hot student-teacher romance set in the UK.

### Editorial Review

#### Review

"...it is an amazing book, because the characters really evolve with the story. As the story goes on, you get more and more attached to the characters and their lives that you just feel their pain and their love, and you only want to finish the book. But once it is done you are so sad to leave the characters and their world." - *Around Books*

"This book had a predominately young adult feel for me, but with the addition of some well written steam! I was captivated by the story and it definitely created that 'need to know what's next' feeling throughout the book" - *Tina, Goodreads*

"Summer's Edge seriously bowled me over... A euphoric Teacher- Student romance novel with beautiful epilogues" - *Kiera Travis, Goodreads*

"Amazing story. The characters and plot are well developed" - *Sian Burgess, Goodreads*

#### From the Author

*Summer's Edge* was a nostalgic joy to write. Research into the "free party"/illegal rave scene proved really fascinating, and every effort has been made to match the exact dates and locations of the raves taking place in that era. The descriptions and events also draw from real people's memories of attending those festivals, as well as newspaper reports.

The final year of high school is a strange time, particularly in a time and place like 1990s UK. The usual custom then for young people to leave their hometowns and travel and study elsewhere, often moving away permanently. For the characters in the story it's very much the end of an era, just as the Castlemorton Common Festival sparked the Criminal Justice Act and marked the end of free parties and rave culture in Britain.

I hope others enjoy reading it as much as I enjoyed writing it!

#### About the Author

Noël Cades writes sizzling hot romance featuring forbidden love and illicit relationships, including the ongoing *Forbidden Love* trilogy: *Forbidden Lessons* (2014), *Forbidden Study* (2016), *Forbidden Classes* (TBA). As well as being a writer of romance, Noël is a huge reader of romance, with favourite genres including Regency romance, Gothic romance and classic Mills & Boon romances. Noël's favourite authors include Jilly Cooper, Jackie Collins and Elizabeth Rolls.
